Dedicate

this book to

Mr. Norbert T. Soltys.

In the three years that he has been here, he has worked every year to have a winning football season. We would like to congratulate him for finally succeeding this year in having a winning season and making our boys into a real team.

Also we dedicate this book to him as appreciation for his tireless efforts in making all our class projects a success.

Foreword

Just This Minute

If we're thoughtful just this minute
In what'er we say and do;
If we put a purpose in it
That is honest through and through
We shall gladden life, and give it
Grace to make it all sublime;
For though life is long, we live it
Just a minute at a time, -- Sel.

Valedictorian

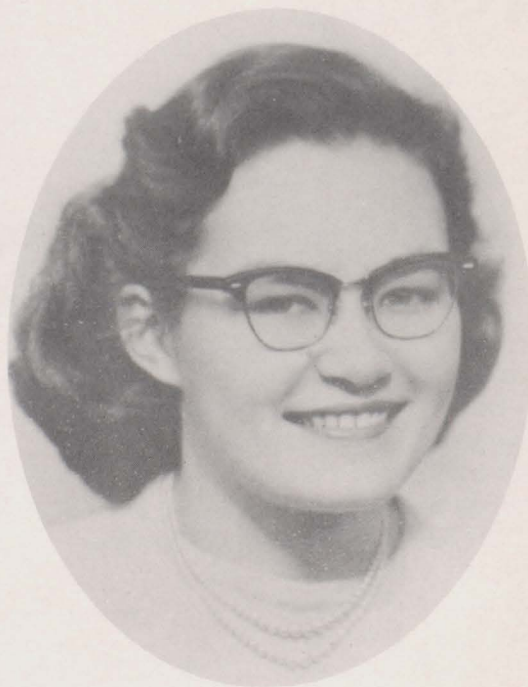

Our Valedictorian this year is Joanne Koski. Although Joanne is graduating with a straight A average, she definitely isn't a "grind." She has taken an active interest in extra-curricular activities. She was a delegate to the Y-Teen Conference at Ohio Wesleyan and the Latin Convention at Ohio State. She is a three time winner of the United States Propeller Club Essay Contest. As a result of winning these contests, she has enjoyed three memorable lake trips. She is a member of the National Honor Society, Senior Girls, Latin and Spanish Clubs, Y-Teens, G.A.A., Usher Squad, and Intramurals. Joanne is planning to go to college next fall.

Also Placing in the top ten of the Class of 1955 are the following: Boneita Perskari - 3.7898, Susan Hartman - 3.7314, Diana Laird - 3.5359, Michael Kaihlanen - 3.4960, Carol Dean - 3.3928, Richard Davis - 3.5900, Kathleen Lackson - 3.3524, William Stegall - 3.2653.

Salutatorian

Lois Kay Lehtinen is our Salutatorian with a 3.868 average. She has a great interest in music but doesn't plan to make a career of it. Besides doing solo work, she has done a great deal of accompanying and has served as Senior Choir accompanist. Lois has received a "Superior" rating in several district solo contests and in last year's state contest. She is a member of the National Honor Society, Senior Girls, Senior Choir, Madrigal Singers, Modern Dancers, Usher Squad, Thespians, G.A.A., Intramurals, Y-Teens, Yearbook Staff, and Latin Club. She is planning to attend Western Reserve University next fall.

SENIORS OF 1955 -

This Commencement marks a turning point in your living. For twelve years you have been in school as a student. You have had the guidance of teachers and administrators during these years. Your school, the organization of which you have been an active member, has set standards, regulations and provided activities for your welfare.

Now you are adults. You will be so considered by the public. You will be competing with other adults for the things you wish to have and for your accomplishments.

Opportunity before you is unlimited. You will limit your chances of success and recognition only to the degree that you are not willing to work. Your personality can be your best calling card. You will find that you must influence people if you are to achieve anything in life. How people regard and respect you will be a clear reflection of your own self respect.

In adult life competition is strong. In this competition may I suggest (1) that you make a definite choice of values or objectives, (2) that you think clearly, (3) that you cherish the help others unselfishly give (4) that you give your best, unselfishly to whatever you do, and (5) that you develop a deep and abiding faith in God - one you can implement into practice each day.

We feel that you have made a definite contribution during your years here to making our schools better. You have left records that will challenge our present and future student body.

Make this year and this Commencement one of great joy to you and your friends.

The Board of Education, the faculty, and I are most happy for this great moment of achievement in your life. We wish you much success.

Class Prophecy

ASHTABULA, OHIO

Way of the School Year By Students of Harbor High School

Good evening ladies and gentlemen. This is your good neighbor station W. H. H. S. bringing you the eleventh hour news hot off the wires in our W. H. H. S. newsroom. Since the seniors of 1955 from Harbor High School have been making the headlines, tonight we have a special report on how they all have survived in this atomic era.

First we shall take up some of the more serious of their achievements. After graduating from Alliance College with a Ph. D. majoring in physics and advanced mathematics, Francis DeGennaro is now revising Einstein's Theory of Relativity.

In the field of literature we find that Clyde Koski has written a book entitled "My Trials in the Pit." To date a million copies have been sold. J. E. (Maenpa, that is) is reported to have bought ten copies, since the book was dedicated to him.

J. E. is also proud of Gerald Bordeaux, who is editor of the NEW YORK HERALD. Gerald enjoys writing editorials on the work of his old classmate, William Stegall, who is the 38th President of the United States. He was elected on the Democratic ticket. We have an idea that he had some help from the multi-millionaire stockbroker, Bill Smith, of Wall Street.

We are sorry to say that some have failed to uphold the high standards of the class of '55. Among these we find Robert Cronquist, who is compiling notes for a book about his experiences in the Siberian salt mines.

Tom Watts was recently brought to trial for siphoning gasoline from a local service station. He was given two years at hard labor despite the competent efforts of his famous criminal lawyer, Jane Koski.

Flash--A bulletin has just come through the Teletype in our newsroom here at W. H. H. S. Michael Kaihlanen is wanted by the F. B. I. dead or alive. If found dead, please apply moistened postage stamp and address to: Mr. Charles Altonen, Head Embalmer, Peabody Funeral Home, Chicago, Ill. Thank you.

Those of you who do not have a postage stamp handy immediately contact Miss Mary Jo O'Connor, head postage stamp lickicker at the Harbor Pony Express. Also in the postal business we find JoAnn Jeffers, head postmistress in Kingsville.

There are also a number of specialists in this class. Among them is Vicki Kinnunen, head fish cleaner at Lake Erie Fish Company. Bette Mackey is in charge of lifting the Harbor lift bridge when it gets stuck. Carol Dean has reached her goal in journalism, as she writes the obituary column for the STAR BEACON.

(Turning to another field) On Carpenter Rd. we find Dick Hill and John Sandberg, co-owners of a huge three-acre farm. They have taken in two jobless farmhands, Katy Beckwith and Kathy Lackson. These girls were willing to work for practically nothing because they just love... farming.

Also working for practically nothing are Mary Ann Gustafson and Connie Cafaro, garbage collectors, under the able direction of Ernest Hewins, Commissioner of Sanitation.

In the driver's seat of her glistening white truck we spy Janet Millberg, who has finally made it after taking the truck driver's test 23 times.

Walter Schramm, following in the somewhat damp footsteps of Ed Norton of the Jackie Gleason Show, is the sewer cleaner for the Division of Public Works.

Assistant to the assistant's assistant at the Unemployment Bureau is Boneita Perskari. We always knew she would make good.

For the first time since the beginning of Student

After this program they will present another assembly exchange program at Ashtabula.

Alford, left Ashtabula Painsville, where reservation had been made.

In the Harbor territory Nick Cevera is the proprietor of the "Golden Bubble" night club on Morton Drive. The bouncer there is Nancy Kissack.

The new owner of the Harbor Billiards is Rita McGranahan.

Now a couple of words from our sponsor, John Annala, owner of the "Gung Ho" Chinese Restaurant, 2345 Main Ave., the place where all good Finns congregate. Tea, anyone?

Still scanning the local news we find Deanna Floor operating an up and coming business. She has taken over the popcorn stand on the corner of North Park. One of her steady customers is Raymond Nurminen, who after a long and sad experience, is now the president of the Ashtabula Alcoholics Anonymous Club.

Now moving to the lakefront news, at Billow Beach we find tall, blonde Marvis Esko as a cigarette girl.

Out at Geneva-on-the-Lake Helmer Krans has opened his new, modern establishment, "Helmer's Pizza Palace." His next-door neighbors are Jim Huhta and Tom Mattern, who run a burlesque show there.

A little farther afield but in the same line Elaine and Eleanor Lehtinen are running a hot dog stand at Coney Island. Ted Peterson drops in occasionally on his time off. He is a lighthouse keeper in Newfoundland.

The class of '55 has also been outstanding in the field of entertainment. We are most pleased with the accomplishments of Robert McNutt and Barbara Phillips, who open their season tomorrow night at the Metropolitan Opera House. JoAnn Carle is also proud of her husband as they are both proud of their six children. Donna McCormick is now the conductor of the New York Philharmonic Orchestra. Also in the musical field we discover Linda Johnson, head castanet polisher for Xavier Cugat's Latin American Band. Dancing to the rhythm of her castanets, Susan Hartman and Joanne Koski are mambo instructors at the Arthur Murray Studios. Just think, George Schlieper might not have learned to mambo without them.

(To turn to the lighter side) The Circus is in town. Barnum and Bailey are indebted to the class of '55 for the invaluable services of Timothy Behrendt and Jack Lundi in star clown billing. Starting as a 97-pound weakling, Bill Nieminen has finally progressed to the position of strong man of Barnum and Bailey.

Jim Myers has been touring the night club circuit with his Chorus Beauties, among whom we find Betty Pananen Alley, Juanita Shick, Bernadette Santill, and Betty Conklin.

Robert Sidbeck enters the home of millions of Americans every Saturday afternoon as the television star of "The Pecos Kid." And a special favorite among Ashtabulans is Paul Carpenter, who can be seen every Pabst Blue Ribbon fight night. He is the bartender.

(Now for a change of scenes) In California Eva von Fielitz has recently received her seventh "Oscar" for her outstanding portrayal of Ellie May in Metro-Goldwyn Meyer's production of "Tobacco Road"

Two popular Hollywood stars who recently completed a movie entitled "Tortured Love" are Celeste Rinto and Richard Davis.

At last Lois Lehtinen has finally reached her goal in life and is now Mrs. Liberace.

Headlined in the sports field we find that Eleanor Meyers and Kathryn Doxsie have recently conquered the world's highest mountain, Bunker Hill.

This year's Mr. America contest, we are proud to report, was won by James Atzemis, and the Miss America crown was captured by Patricia Matha.

Ernest Thomas has taken over "Goose" Tatum's position with the Harlem

Globetrotters.

As a unanimous choice for fullback in the All-American nominations we have another outstanding athlete, Myrna Christensen.

In the fight game Karin Haapala is a ranking contender for the heavy-weight championship of the world. Not many Ashtabulans know that Patricia Bruckman is wrestling under the name of "Molly the Mauler." When last heard from George Johnson was guiding Albert Johnson and Jack Zeigler on their satari through the jungles of darkest Africa.

Coming back into civilization, it is evident that the Harbor faculty has been greatly modified during the ten year interim since this class graduated. Because of his excellent command of English, Stanley Giddings is now the head of the English Department. Also in the dear old halls we find Kenneth Swanson, Dean of Girls; Lorene Johnson, janitor; Janet Laatu, head basketball coach; Freida Brunell, Shop Teacher; and Judy Lamb, Bus Driver.

Last but not least, Diana Laird and Bernie Haytcher have finally tied the nuptial knot.

And there you have it folks, as up to the minute resume of the accomplishments of the Senior Class of 1955.

Glad we could get together folks.

This is Jack Kangas signing off.

Class History

In September, 1942 we present seniors entered the bleak and unfamiliar kindergarten room of Washington School, which is part of the Harbor Special Schools system. Each morning our mothers kissed us fondly and, in parting, gave us explicit instructions on correct behavior. On that eventful day we began an exciting thirteen-year pilgrimage through the halls of learning. Soon we were all friends and were taking orders quite well from Miss Tilton and her talking piano. With loving patience she taught us how to write our names, tell time, and tie our own shoes. This year we had the honor of portraying circus animals in the annual entertainment.

When we progressed to first grade, we were divided between the Jackson and Washington Schools, at which time the great rivalry (Harvard--Yale style) of the two schools began. Second grade brought with it a wonderful project called "The Country Store" which entailed empty food cans with labels from home. We must have saved the city rubbish collectors quite a bit of work that year. As third graders we became aware of the opposite sex and several torrid love affairs developed, which, however, died as quickly as they had blossomed forth. Fourth grade was highlighted by the discovery in art and crafts classes of our future artists, architects, and engineers. When we became big fifth graders, our boys went forth to play the manly art of ball, and we had a number of games between Jackson and Washington. We never did find out which school was better.

Having reached the status of sixth graders, we were saddened by the loss of our beloved Dr. W. E. Wenner, who died at the Cleveland Clinic on January 13, 1949. We heard Harbor's carillonic bells sounded for the first time on January 17 at his funeral services.

Soon the last year drew to a close, and we received our cards bearing the proud words "promoted to seventh grade". Then we had a real Commencement and were awarded diplomas. At last we were ready for high school!

Our first few weeks in the high school were marked by utter confusion. More than once we managed to get lost while changing classes, and we were inevitably caught by Mrs. Eddy as we climbed with out armloads of books up the wrong stairs. In eighth grade we had the unforgettable Occupations with Mrs. Casbourne, not to mention some very memorable hayrides.

During the ninth grade the pupils from Mother of Sorrows joined us. Our Latin and Spanish students, despite their misgivings, really did make it through the First Year courses, and were on hand to take part in and to see the gala Latin Banquet held in the old gym.

"Murder in the Family" was the name of the sophomore class play which we put on as part of the annual "Mariner Varieties". We were proud of the boys in our class who had made the varsity football and basketball teams.

As juniors we worked very, very hard to give the seniors a nice Prom. We presented the play "Rebecca", sold sweatshirts, and finally put up the several million miles of crepe paper required to transform the gym into a beautiful ballroom. This was also the year we received our class rings.

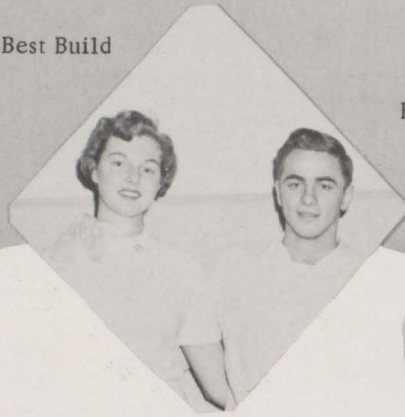

As seniors we are looking forward to our next milestone, Commencement. We wish our teachers to know that our appreciation of their friendship and guidance extends beyond mere words. They have been a great part of our lives. The last moments of the Thirteenth year are fast fleeting and we use them to say, "God bless us, every one."

The Student Council is a newly formed organization this year. During its first year of organization the council has launched and accomplished a number of things.

Committees have been formed to issue charters to organizations, review and hire the paid assemblies for the coming year, and to plan this year's Thursday afternoon assemblies. A monitor service has been started in the lower hall in order to guide and direct visitors and parents to the proper offices.

It is hoped that in the future the council will be able to give increasing assistance in the managing of student affairs and will truly represent the student body.

The choir has presented exchange concerts with Conneaut, Jefferson, Ashtabula, and Edgewood. Besides these performances, the choir presented selections at the Christmas Meditation, Exchange Club, Rotary Club, Elks Memorial Service, Carlisles, the Variety Show, and our annual Spring Concert. The choir also made several T. V. appearances during the Christmas season.

The officers for this year were: Michael Kaihlanen, president; Jim Huhta, vice-president; Jane Koski, secretary; and Judy Lamb, librarian. The accompanists were Lois Lehtinen and Marvis Esko.

Retiring from their majorette duties this year are Marvis Esko, head majorette, and Eleanor Lehtinen. Carol Acierno and Mary Lindenmeyer have two years to complete and Karen Knudsen, three years.

Our majorettes have been busy all year. Early in the summer they began to work on their routines for the 1954 football season. Among the many routines they presented during the half-time shows were a military drill, a western routine, and a square dance routine.

Their work didn't end at the close of the football season because they had to keep in practice for the Variety Show. They presented a delightful Spanish number to the song, "Bongo Guitar," and another routine with lighted batons. As always before, they will lead the band in the carnival parade.

Many months of hard planning and work by the junior class and their adviser, Mr. Norbert Soltys, made the 1954 Jr.-Sr. Prom one of the finest Harbor High has ever had.

Robert McNutt, junior class president, acted as master of ceremonies at the banquet, which was held at the Swallowsala. Richard Hill, junior class vice-president, read the Class Prophecy and was followed by James Laird, senior class president, who read the seniors' Last Will and Testament.

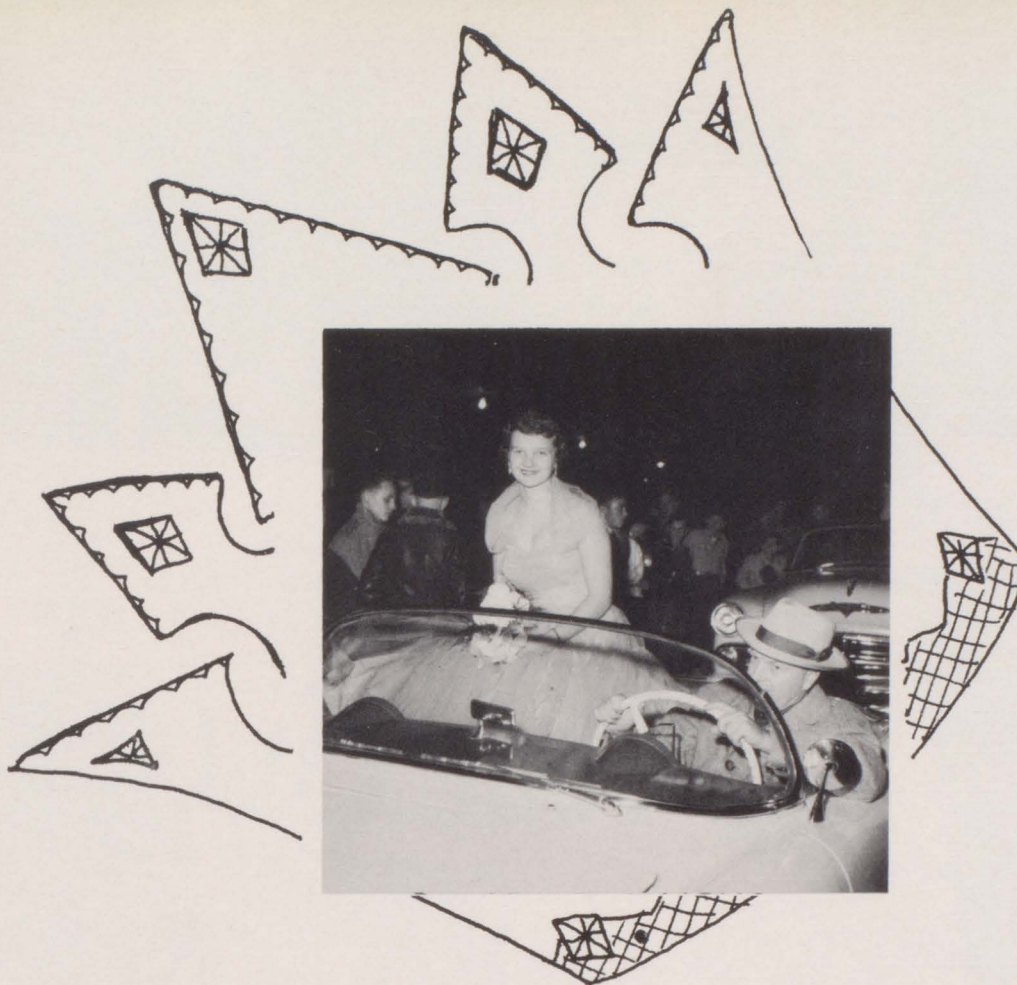

Presenting tokens of appreciation to their advisers, Diana Laird and David Kotila gave gifts to Mr. Norbert Soltys, junior class adviser and Mr. Harold Caylor, senior class adviser.

Following this everyone enjoyed the dance held in Fawcett Gymnasium. It was beautifully decorated with a false ceiling of stars and crepe paper. Individual tables, with a lighted candle on each, were grouped in cabaret style around the edge of the dance floor. Ray Jangels provided the music for dancing.

Parents of the junior class members joined together to put on an afterprom party and breakfast from 12:30 to 4:30 A.M. Entertainment was provided by Bob Forrester and Nick Mahalick. Later the Dean Goodell orchestra provided music for dancing.

A special thanks should be given to all the junior class parents who helped to make a success of the whole affair.

Coaches and Captains of the 1954 football team are, left to right: Mr. John Abel--Ass't Coach, Tim Behrendt and Francis DeGennero--Co-captains, Mr. Norbert Soltys--Head Coach.

The Harbor Mariner football team had a winning season, as they won four games and lost three. They finished second in the WRL with a 3-1 record.

Harbor started the season by playing Painesville Riverside in a preview game at Conneaut. The two evenly matched teams battled their way to a 6-6 tie.

The Seamen journeyed to Jefferson to play their first WRL football game. Despite their early lead, Harbor lost to the Falcons 20-13.

The following week Conneaut defeated the visiting Mariners 32-12.

The Mariners, playing their first game at home, were defeated by the Fairport Skippers 34-14. The bright spot in the game came in the last quarter when Co-captain Tim Behrendt raced 67 yards for a touchdown.

In the annual "Golden Anchor" game at Wenner Field, Harbor got the "Golden Anchor" back as they defeated Edgewood in a thrilling game. The Mariners were on the short end of a 13-7 score with only a couple minutes left in the game. Jack Lund threw a 16 yard pass to Bob McNutt who fell into the end zone for a touchdown. Joe Pinney kicked the extra point and Harbor won the game 14-13.

The Perry Pirates invaded Wenner Field and were defeated by a fighting Mariner squad. Harbor rallied in the second half to win the game 32-20.

Spencer was Harbor's third WRL victim as the Mariners won 51-6.

The Mariners had to come from behind to defeat Geneva 26-19. Geneva held a 12 point lead midway in the third quarter when Harbor finally came to life and pushed over three quick touchdowns.

Four Seniors received letters this year for outstanding work as cheerleaders. They are the following: Marguerite Hall, four years; Vicki Kinnunen, four years; Sue Hartman, three years; and Deanna Floor, three years. Returning next year for varsity cheering are Sue Spaller and Joanne Fitting, who have both completed two years.

During the past few years the cheerleaders have held dances and pep rallies. In January they attended a cheerleaders' clinic with girls from Northeastern Ohio.

L. to R.: Dick Johnson, Joel Kangas, Dick Macaro, Rodger Hyppa, Jon Altonen, Bob Lampela, Karl Rill, Henry Rossi, Jim Gray, Alfred Talvola, Bill Asuma.

Mr. Norbert Soltys and Mr. Elmer Gray study the strategy of a forthcoming game.

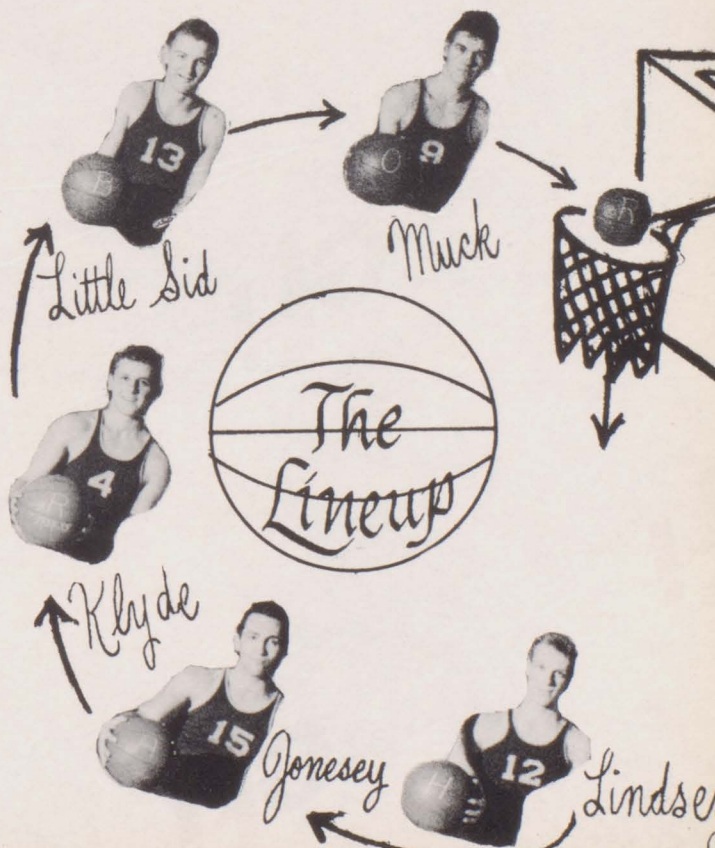

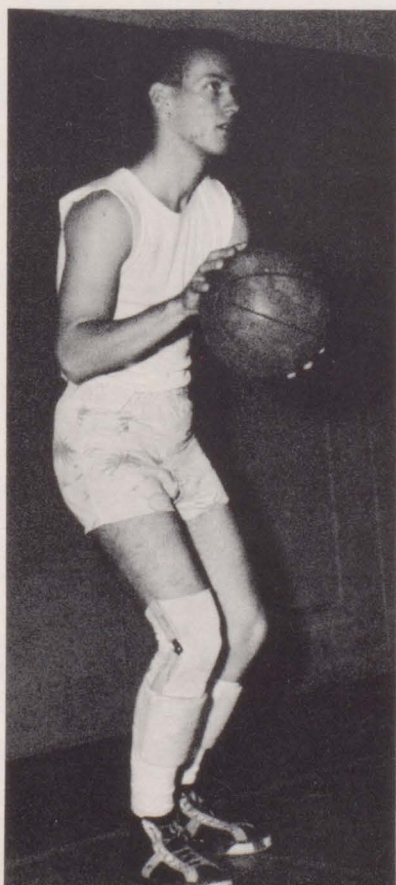

The Mariner quintet had a successful season as they finished with more games won than lost. The Seamen won the Western Reserve League crown their first season in the league by compiling a perfect record of eight wins and no defeats.

Seniors Clyde Koski, Bob Sidbeck, and Bob McNutt, together with juniors Don Jones and Keith McCullough, rounded out the usual starting five for Coach Elmer Gray. Senior Ken Swanson and junior Joe Pinney helped to back up the team when the going was rough.

Clyde Koski was the leading scorer of the team as he held a fourteen point average throughout the season and finished near the top in Western Reserve League scoring.

Coach Norb Soltys' reserve team had a very fine season as they lost only a few of their ballgames. Bob Lampela, Dick Johnson, and Dick Macaro led a strong, well-balanced group of ballplayers who played fine ball throughout the season.

Track

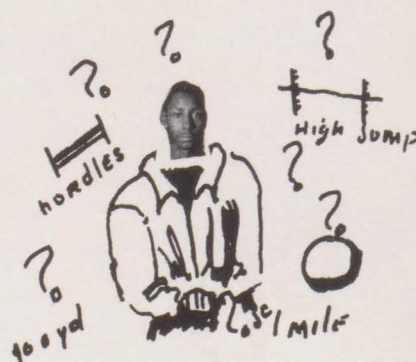

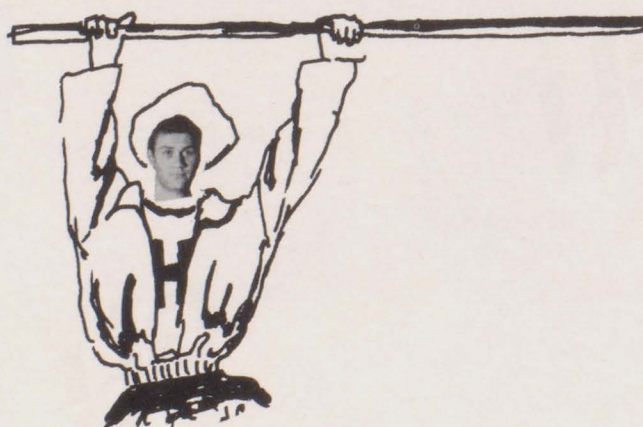

Ten returning lettermen, Francis DeGennaro, Keith McCullough, Ken Swanson, Jim Gray, Pete Hewins, Joe Pinney, Henry Rossi, Dick Johnson, Bob Sidbeck, and Tim Behrendt, will form the nucleus of Coach Elmer Grays' 1955 track team. There will also be a large number of hopeful candidates out to fill in the remaining spots on the team.

The track season will get under way with the annual Interclass Meet on April 11-13. Boys in the upper four grades will be trying hard to put their respective grades out in front.

There will be several small meets before Harbor has to compete in any of the big meets. On May 7, the Mariners will take part in the annual Mentor Relays and on May 10, they will compete in the WRL at Wenner Field. In the District Meet on May 14, the boys will try to gain berths for the State Meet which will be held the following Saturday at Columbus.

The Last Will and Testament

Be it known: That we the members of the class of '55, graduates of the Harbor High School, City of Ashtabula, county of Ashtabula, state of Ohio, United States of America, on the second day of June, nineteen hundred and fifty-five so as to benefit civilization and to endear our names to the human race, do construct, formulate, and swear to this document--our last will and testament, disposing of the herein-stated articles in due and proper order.

Item first--It is our wish that our past mistakes and errors be forgiven and forgotten publicly by our pedagogues and fellow students, before any embalming be done on our persons.

Item second--To the juniors we bequeath our choice seats in assembly. We lend for masticatory exercise, between or during periods, all of those gelatinous coagulations adhering in more or less hardened form to all seats occupied by us in study hall and assembly, consisting mainly of juicy fruit and dentyne. We request only that after each indulgence in said exercise that they be carefully replaced for the future enjoyment of the undergraduates.

Item third--We bequeath:

To Supt. Lanham a pair of gold plated Wiss scissors and a fully paid three-week summer course in "Advanced Paper Doll Cutting" at M.I.T.

To Mr. Meehan, our beloved principal, we express our gratitude and leave a year's supply of "Dull-O" pencils in order that he may write out those releases (called passes) which gave our mighty hunters the right to go forth and seek wild life (the four legged kind) and give the pained souls of Harbor their semi-annual time off so that they might visit their respective dentists. To lessen the amount of energy that he must expend at each assembly period, we also leave him a collection of records setting forth the various complaints he has to make of our behavior.

To Mr. Fawcett, "sure as the Lord made little green apples," we present this fine Scotch-Irishman a round trip ticket to Hawaii in order that he may spread his "words of wisdom" to the tune of whirling hula skirts as he romps through the roaring surf.

To Norby, our illustrious class advisor for the past two years, who guided us through our many ventures such as penny-a-day, school daze, mums, and sweat shirts, we bequeath a pig skin inflated with enthusiasm and thanks and a box of ulcer pills to be used during next year's football season. The sponsorship of future senior classes we leave to him, to dispose of as he sees fit.

To the unheralded heroes, the keepers of the school, Kenny and George by name, we leave the dust from our illustrious feet. They also may consider themselves heirs to the chewing gum under the desks where we so diligently pursued our studies (never catching up with them, however).

Item fourth--As our final gesture of parting the following seniors wish here to will to their junior comrades the items listed below:
